Hakkımızda

2006 Yılında çocuklarımızın hayal dünyasına katkı sağlamak, onların ruhsal gelişimi üzerinde etkili iz bırakan , görsel dünyasına hitap eden tasarımlarla yaşamlarını renklendirmeyi hedef aldık. Bu alanda çocuklarımız için oyun parkları kurduk.

15 yılı aşkın süre içerisinde firmamıza spor aletleri ve kent mobilyalarını da ekleyerek şehirlerimizin nasıl daha estetik, mutlu ve eğlenilebilir hale getirebiliriz düşüncesiyle büyümeye ve kendimizi geliştirmeye devam ettik.

Firmamız daima kalitesinden ödün vermeden zamanında üretim , teslim ve kurulum yaparak sizleri memnun etmeyi hedeflemiştir. Uygun fiyat politikasıyla bugün olduğu gibi yarınlarda da hizmet vermeye devam edecektir.

Bu başarıya işinde uzman yenilikçi ve yaratıcı anlayış, sürekli gelişim ilkesiyle ulaştık. Gerekli insan kaynağı, donanımı ve teknik bilgiye sahip olup uzun yıllardır küresel alanda kabul gören yöntemlerle firmamızın farkını ortaya koyuyoruz.

Geniş ürün ve hizmet yelpazesiyle müşteri gereksinimlerini ön gören proaktif bir anlayışa sahibiz. Ana hedef kitlemiz olan çocuklarımızın kullanabileceği sağlıklı , güvenilir, çağdaş ürünler tasarlamayı sorumluluk kabul ederiz. Ayrıca çevreye karşı olan duyarlılık bilincimiz ile bütün üretim ve iş sürecinde sorumluluğumuzu yerine getirmek ana prensibimizdir.

Biz YILPARK ailesi olarak sizleri ve yarınlarımız olan çocuklarımıza keyifli alanlar oluşturmak için çalışıyoruz. Yeni projelerimizde sizlerin desteği ve fikirleri ile birlikte çalışmak dileğiyle

about us

In 2006, we aimed to contribute to people's imaginations and to color their lives with designs that appeal to the visual worlds that leave an impact on their spiritual development. We have set up playgrounds to examine these areas.

You can imagine how our cities, including sports equipment and urban furniture that we have been in for more than 15 years, can make them more aesthetic, happy and enjoyable.

Our company has always aimed to satisfy you by producing, delivering and installing on time with the productivity you provide.

We will continue to serve in the future, as we do today, with an affordable price policy.

In this difference, expert devices and creative understanding have expanded with the principle of continuous development. We have the necessary human resources, equipment and technical acceptance information and reveal the difference of the competition that has been seen in the global arena for many years.

We have a proactive approach that anticipates customer requests with a wide range of products and services. We accept the responsibility of healthy, reliable, contemporary product design for the use of our main target audience. In addition, our main principle is to fulfill all our production and business process responsibilities with our awareness of defense against distribution.

We, as YILPARK families, are working to create enjoyable spaces for you and the children who are
